

High March School Bulletin

Week 6 12.10.18

From Mrs Clifford:

The children have had a very busy week packed with outings, musical events and sporting fixtures. These included a duathlon at Davenies, netball matches against Heatherton House and a cross country fixture against Pipers Corner School. The tea time concert was very well supported with an excellent range of musical items which included a recital by the Flute Choir. Year 2 learnt a great deal from their visit to Tate Britain and Year 1 thoroughly enjoyed their History of Toys Day. As I write we had a very successful Open Morning today with many visitors, all of whom were most complimentary about the confidence and demeanour of their Year 6 Tour Guides.

There will not be a bulletin next week as we break up for half term on Wednesday. I wish all the High March children and their families a happy half term and we look forward to seeing you all back at School on Monday October 29, refreshed and ready for another busy half term.

Walk to School Week Monday 15 – Wednesday 17 October

Next week is national Walk to School Week and at High March we are encouraging all the children to walk, park and stride, cycle or scoot to School. Please help your daughter to enjoy taking part in this by parking a little further away from School, for example in the Waitrose car park, and walking at least a little of the way to School. The STP Team will be helped by the Year 6 and Year 2 JRSOs to serve breakfast snacks to any girl who walks, cycles or scoots some of the way to School.

Year 2 JRSOs

Congratulations to Madeleine Simpson and Naomi Wong who have been appointed as the Year 2 JRSOs. They will be helping with Walk to School Week at Junior House and assisting the Year 6 JRSOs with many other aspects of School Travel.

JRSO Fun Day

Last Friday afternoon the Year 6 JRSOs, Charlotte and Sophie, attended the annual JRSO Fun Day in Aylesbury where they met with JRSOs from other Buckinghamshire schools, attended workshops and picked up some great new ideas for initiatives to encourage sustainable travel to High March.

Further incidents of inconsiderate parking

The School Office is continually experiencing complaints from our neighbours regarding inconsiderate parking from some of our parents. Please park safely and with due consideration for all of our neighbours both on Sandelswood End and Ledborough Lane and if possible we would encourage you to park and stride to reduce the congestion around the School. Please remember that the School Travel Team will number and shame offending drivers if necessary.
