

High March School Bulletin

Week 11 03.07.20

From Mrs Gater:

The penultimate week of this academic year is now complete and my ears are still ringing with the whoops and cheers of Year 6 as they completed their victory laps around Beaconsfield atop an open top bus!

This was a lovely display of the girls' happiness, despite the rather strange situation, and their readiness to take on the next challenge - a sign that we have done our job well. Prize Giving was another lovely moment of the week and I hope that you will all take the opportunity to watch the 'feature length' version when it is released later this week.

Although this has definitely and rightly been Year 6's week, it has been lovely to see many of the younger girls bravely and excitedly meeting their new Form Teachers and welcoming girls who will be joining High March in September. How quickly they learn to offer a smile of friendship to everyone is so heart-warming!

Best wishes for the week ahead.
